1981 CUMULATIVE INDEX
JOURNAL OF ORAL MEDICINE

ABBAS, K. and S.R. Prabhu—Bells' Palsy among Sudanese children, Oct.-Dec., p. 111.

Adult Burkitt's Lymphoma: Report of a Case, B.S. Wasserman, V.P. Cappasso, K.S. Heller, and M.J. Gluck, July-Sept., p. 73.

An atypical odontogenic adenomatoid tumor and review of the literature, G.G. Stroncek, A. Acevedo and L.H. Higa, Oct.-Dec., p. 102..

Antibiotic therapy in the management of infections in dental patients, A.F. Gardner, July-Sept., p. 54.

A psychiatric reaction to restorative treatment: a case report, A. Burstein, and M. Burstein, Oct.-Dec., p. 97.

A review of microbial and immunologic aspects of endodontics, K. Keudell, G. Powell, and H. Berry, April-June, p. 39.

A six year regional report on the oral tumor registry and lesions diagnosed in the school of dentistry biopsy service University of Oregon Health Science Center (portland, Oregon), C.C. Thompson, Jan-March, p. 11.

Bell's palsy among Sudanese children, K. Abbas and S.R. Prabhu, Oct.-Dec., p. 111.

BEN-ARYEH, H., M. Schiller, S. Shasha, R. Szargel, and D. Gutman—Salivary Composition in patients with essential hypertension and the effect of Pindolol, July-Sept., p. 76.

Bilateral Necrotizing Sialometaplasia: a case report, R.F. Stafford, S.T. Sonis, and G. Shklar, April-June, p. 28.

BURSTEIN, A., and M. Burstein—A psychiatric reaction to restorative treatment: a case report, Oct.-Dec. p. 97.

DAYAL, P.K. and Mani, N.J.—Odontodysplasia: report of a case, July-Sept., p. 79.

Dental Pain and adaptive strain; a place for fatty acid cyclo-oxygenase inhibition, H.S. Schwartz, April-June, p. 31.

Desmoplastic fibroma of the mandible, T.L. Green, and E. Gaffney, April-June, p. 47.

Early oral signs of Burkitt's lymphoma cell leukemia, A. Garfunkel, Y. Marmary and E. Naparstek, Oct.-Dec., p. 107.

ESGUEP, A.S.—Possible primary amelanotic Melanoma of the oral cavity, July-Sept., p. 82.

FAHMY, M.S., M. Sodify, P. Haghighi, and Z. Madani-Kermani—Oral Pemphigus vulgaris in a 12 year old Iranian child; report of a rare case with coincident occurrence of multiple oral polyps, Oct.-Dec., p. 114.

FAY, J.T., J. Banner, L. Rothouse, S. Kolas, B.J. Klinger, and R.J. Sayers—Squamous odontogenic tumors arising in odontogenic cysts, April-June, p. 35.

GARDNER, A.F.—Antibiotic therapy in the management of infections in dental patients, July-Sept. p. 54.

GARFUNKEL, A., Y. Marmary, and E. Naparstek—Early oral sings of Burkitt's lymphoma cell leukemia, Oct.-Dec., p. 107.

GREEN, T.L., and E. Gaffney—Desmoplastic fibroma of the Mandible, April-June, p. 47.

GURIAN, B.—Hypnosis in the treatment of Dysphagia, Oct.-Dec., p. 99.

Hypnosis in the treatment of dysphagia, B. Gurian, Oct.-Dec., p. 99.

Incidence of tori in three population groups, D.R. King, and A.C. King, Jan.-March, p. 21.

KEUDELL, K., G. Powell, and H. Berry—A review of microbial and immunologic aspects of endodontics, April-June, p. 28.

LEFER, L.—The lame, the halt, the blind and the intact elderly person, Oct.-Dec., p. 90.

KING, D.R., and A.C. King—Incidence of tori in three population groups, Jan.-March, p. 21.

Lichen planus: a simple and reliable biopsy technique, D.J. Zegarelli, Jan.-March, p. 18.

MARDIROSSIAN, G.M., and T.A. Najjar—Mixed tumor of minor salivary gland — an unusual case, Jan.-March, p. 4.

Mixed tumor of minor salivary gland — an unusual case, Jan.-March, p. 4.

Odontodysplasia, report of a case, P.K. Dayal, and N.J. Mani, July-Sept., p. 79.

Oral Pemphigus vulgaris in a 12 year old Iranian child; report of a rare case with coincident occurrence of multiple oral polyps, M.S. Fahmy, M. Sodify, P. Haghighi and Z. Mandani-Kermani, Oct.-Dec., p. 114.

PETERSON, D.E., E.J. Hovland, and L.T. Williams—Poorly differentiated nodular lymphoma associated with the mandible, July-Sept., p. 70.

Poorly-differentiated nodular lymphoma associated with the mandible, D.E. Peterson, E.J. Hovland, and L.T. Williams, July-Sept., p. 70.

Possible primary amelanotic melanoma of the oral cavity, A.S. Esguep, July-Sept., p. 82.

POTOKY, J.R.—Recurrent aphthous stomatitis; a proposed therapeutic regimen, April-June, p. 44.

Preliminary immunologic studies on retinois inhibition of experimental carcinogenesis, S. Sonis, and G. Shklar, Oct.-Dec., p. 117.

1980 recipients of American Academy of Oral Medicine — Certificate of Merit, Jan.-March, p. 15.

Recurrent aphthous stomatitis; a proposed therapeutic regiment, J.R. Potoky, April-June, p. 44.

REDDY, M.S., S.R. Naik, O.P. Bagga, and H.K. Chuttani—Salivary secretions in oral cancer patients with chronic tobacco-betel-lime 'quid' chewing, Jan.-March, p. 7.

Salivary composition in patients with essential hypertension and the effect of pindolol, H. Ben-Aryeh, M. Schiller, S. Shasha, R. Szargel, and D. Gutman, July-Sept., p. 76.

Salivary secretions in oral cancer patients with chronic tobacco-betel-lime 'quid' chewing, M.S. Reddy, S.R. Naik, O.P. Bagga, and H.K. Chuttani, Jan.-March p. 7.

SCHWARTZ, H.S.—Dental pain and adaptive strain; a place for fatty acid cyclo-oxygenase inhibition, April-June, p. 31.

SONIS, S. and G. Shklar—Preliminary immunologic studies on retinoid inhibition of experimental carcinogenesis, Oct.-Dec., p. 117.

STAFFORD, R.F., S.T. Sonis, and G. Shklar—Bilateral Necrotizing sialometaplasia: a case report, April-June, p. 28.

STRONCEK, G.G., A. Acevedo, and L.H. Higa—An atypical odontogenic adenomatoid tumor and review of the literature, Oct.-Dec., p. 102.

Squamous odontogenic tumors arising in odontogenic cysts, J.T. Fay, J. Banner, L. Rothouse, S. Kolas, B.J. Klinger, and R.J. Sayers, April-June, p. 35.

TAMSE, A. and Y. Schwartz—Unusual findings in heart and dental pulp in systemic primary amyloidosis, Jan.-March, p. 16.

The lame, the halt, the blind and the intact elderly person, L. Lefer, Oct.-Dec. p. 90.

THOMPSON, C.C.—A six year regional report on the oral tumor registry and lesions diagnosed in the school of dentistry biopsy service, University of Oregon Health Science Center (Portland, Oregon), Jan.-March, p. 11.

Unusual findings in heart and dental pulp in systemic primary amyloidosis, A. Tamse, and Y. Schwartz, Jan.-March, p. 16.

WASSERMAN, B.S., V.P. Cappasso, K.S. Heller, and M.J. Gluck—Adult Burkitt's Lymphoma: report of a case, July-Sept., p. 73.

ZEGARELLI, D.J.—Lichen planus: a simple and reliable biopsy technique, Jan.-March., p. 18.
